Subject: Permit Registry Notification for Rocket Oil Company facility in Anderson County

Pursuant to Tennessee Code Annotated 4-29-120 (Tennessee Governmental Entity Review Law), the Division of Air Pollution Control is hereby providing notice at least 15 days in advance of an operating permit issuance or denial, as required by statute for the following company:

Rocket Oil Company

Weigel's #82

2304 Clinton Highway

Powell, TN

Permits will only be issued when all applicable requirements, regulations, and procedures are met. The Division will consider all relevant comments received prior to permit issuance or denial.
